## Man Killed, Girls Injured In Auto Mishap Near Here

A Meadow Vista man was killed and three 17 year old Truckee girls injured at 2:15 p. m. Tuesday in a headon automobile collision just south of Truckee on the Brockway shortcut.

Morton Lloyd Jones, 71, was killed when his car apparently swerved to the wrong side of the highway and struck a car traveling south operated by Miss Anne Morey, 17, daughter of Mr. and Mrs. Daven Morey.

In the vehicle with Miss Morey were Julie Knoff, 17, daughter of Mr. and Mrs. George Knoff and Miss Dorothy Cates, 17. All three girls were taken to the Tahoe Forest Hospital by Truckee ambulance. Their conditions were described as not serious.

Officers of the California Highway Patrol said there was no apparent reason for the Jones car to swerve as it, as well as the Morey car, was traveling at a comparatively slow speed.

The body of the victim was taken to the Truckee Colonial Mortuary and later removed to Auburn where last rites will be conducted. Jones' wife lives at Meadow Vista.

## Firemen Net Neat Sum During Drive

Roy Waters, secretary of the Truckee Volunteer Fire Department, reported this week that a total of $1,293.38 was received in the recent drive conducted to provide funds for financing the purchase of a rescue and equipment truck for the department.

Operation Rescue, as the campaign was called, was conducted through a direct mail drive, with letters going to all box holders in the district.

Waters said the department was grateful for the support received and wished to express thanks to the many donors.

## Forest Fires Held To Low Acreage

There were 172 fires in the Tahoe National Forest during the fire season recently ended and of these 168 were confined to an acre or less due to the efficient efforts of the fire fighters.

Of the total fires, 127 were started by lightning and only 45 were man caused.

The figures were disclosed by Forest Supervisor Henry Branagh. He said that the total acreage burned over was only 70, with only two fires covering more than 10 acres and neither of these were in the Truckee District.

The quick work of the helicopter crews, tanker planes and alert firemen were credited with the unusually small fire damage in the forest.

### CHRISTMAS CRAFTS PROGRAM STARTED

The Truckee-Donner Recreation and Park District will sponsor a Christmas Crafts program to be held on Wednesdays at the American Legion Hall.

The exact time for the classess has not yet been established. Interested persons must register no later than December 7th. They may register by calling Randy Bobby, recreation superintendent, at 587-3090 or 587-4245 evenings.

### ADULT CLASSES HAVE VACANCIES FOR MORE

Two adult classes, one in woodshop and the second in bookkeeping and business education, were formed Tuesday night at the Tahoe Truckee High School and will continue. Principal Harold Drummond announced that there are openings in both classes for four or five more adult students and those interested may attend at the time classes are held.

The woodshop class meets on Tuesdays and Thursdays from 7 to 10 p. m. and the business class on Tuesdays from 7 to 10 p. m.

### CLERKS MAY APPLY FOR POSTAL JOBS

KINGS BEACH—Due to the new 40-hour law, the civil service register is open at the Kings Beach post office and Postmaster Robert Molsberry announced that applicants for clerk positions may procure application blanks at the office.

Molsberry also said that there will be additional help employed at the office up until Christmas.

Applicants for clerk will fill out forms and take civil service examinations to prepare themselves for future positions, Molsberry explained.

## Ferdinand Will Be Seated Sunday As Master Of Masons

Lorrin Ferdinand will be installed as worshipful master of Truckee Lodge No. 200, F. & A. Masons at a ceremony to be held Sunday afternoon at 2 p. m. in the Masonic Hall. He will succeed Charles Rich, master during the past year.

Other officers to be installed by Rich include Walter Pope, senior warden; C. G. Shane, junior warden; Dan Anderson, secretary; Charles Rich, treasurer; Pat Shane, marshal; Wayne Philippi, chaiplain; Dan Laughlin, senior deacon; Bill Randall, junior deacon; Lonnie Ross, senior steward; Robert Tonini, junior steward and Gary Eden, tiler.

The installing master of ceremonies will be Robert Critchley, Jr., past master of the lodge.

The flag presentation will be by the boys of the Tahoe Truckee Chapter of the DeMolay and Mrs. June Shane will be the musician. Entertainment and refreshments will conclude the ceremonies.

## 1,750 Feet of Water Now Leaving Tahoe

TAHOE CITY—With 1,750 cubic second feet of water leaving the gates, the level of Lake Tahoe yesterday was 6228.24, according to Daryl DeWalt, cooperative observer.

The huge volume of water being discharged is for the purpose of preventing the lake from exceeding the legal maximum of 6229.1.

Federal Water Master Claude Dukes of Reno ordered the increased release from the lake after the second highest level to date was recorded last week.

Dukes said the only flood threat to Nevada is Lake Tahoe. Two reservoirs, Prosser and Boca have adequate storage capacity.

During the past week the high temperature recorded at Tahoe City was 42 on November 30 and the low was 11 on November 26.

### EMBLEM CLUB WILL HOLD ANNUAL PARTY ON DECEMBER 17TH

TAHOE CITY—Lake Tahoe Sierra Emblem Club No. 347 will hold its Christmas Party and sixth birthday anniversary party at Bacchi's Inn in Lake Forest Friday, December 17.

The "elfing hour" will start at 6:30 p. m. and dinner will be served promptly at 8 p. m. The dinner will be $4.50 per person including tax and tips.

Each one is asked to bring a $1 gift for Santa Claus to hand out when the celebrants gather under the tree.

Reservations may be made by callling Bacchi's prior to December 15 and confirmed by the afternoon of the 17th. Reservations are necessary and guests are invited.

### FIRE-ETTES PARTY SLATED SATURDAY

A pre Christmas party will be held December 4 in Donner Lake Lodge by the Truckee Fire Ettes, beginning at 9 p. m., with the buffet being served between 10 and 11 p. m.

A charge of $2.50 will be made for each guest, members to be without charge. Reservations may be made by calling 587-3209 or 587-3122.

### SIERRA COLLEGE WILL SPONSOR SKI MEET

Donner ski area, which opened on Thanksgiving, has slated February 4th and 5th for the annual Sierra College sponsored Governor's Cup Invitational alpine ski events. The event is intercollegiate competition, Coach Paul Chesney reports. Last year, host Sierra won the event over Chico, Nevada and several other schools.

**COMOLA DUE HOME**

Mike Comola of the U. S. Marine Corps who has been in the thick of the fighting in the Viet Nam war for many months, is scheduled to return to the United States in February, according to a letter received by Mr. and Mrs. Nick Comola.

**Paces to Marysville—**

Mr. and Mrs. Anthony Pace visited Oroville dam during their visit to Marysville last weekend.

## Wolverines Open Hoop Season With Games In Valley

The Tahoe Truckee Wolverines will open the 1965-66 basketball season in the Wheatland tournament scheduled for Thursday, Friday and Saturday, December 2, 3 and 4.

The next game will be on Friday, December 10 when the teams go to Sierra College to meet the Colusa hoopmen.

Five Wolverine lettermen, Steve Felte, Mark Moore, John Besio, Rudy Esparaza and Dave Douglas are back this year.

Comprising the varsity squad are Rudy Esparza and Dave Douglas Douglas, John Besio, Ernie Marier, Ron Walker, Walt McCurdy, Pat Palmateer, Marty Spitsen, Mark Moore, Steve Felte and Mark Gowan. Neil Gates is the head coach and Chuck Trainor and Darryl Cernisak are the managers.

The junior varsity is composed of Dwight Combs, David Curtis, George Franceschini, Dave Glauner, Steve Griggs, Monte Hillman, Mike Keechler, Wayne Kusick, Chris Lehto, Rod McCallen, Ed McCarroll, Greg Pope, Steve Ransom, Robert Riggs, Brian Smart, Ron Smith, Chuck Thompson, Doug Turner and Curt Wurst. Managers are Bruce Leamon and Steve Silverii.

## Fish Official Will Discuss New Limit

Robert Montgomery, regional manager for the state department of fish and game, will be here next Tuesday, December 7, to discuss with local sportsmen and others interested the new proposed five-trout limit for Donner Lake.

He will also discuss the proposed planting which may be two to a pound instead of the present six or seven to the pound.

Since the department will finalize its regulations at a December 10th meeting, Montgomery, as well as local sportsmen are anxious to have a large turnout next Tuesday at 7:30 p. m. in the Donner State Park museum for the discussion to get everything in order for the coming year. M. C. King will preside.

## Important Meet Set By Kings Beachers

KNGS BEACH—The North Tahoe Community Club is holding an important meeting on December 12 at 4:30 p. m. at the Kings Beach School. Present at this meeting will be the president and directors of the Community Club, the president of the Greater North Lake Tahoe Chamber of Commerce, Jack Domergue, and his associates, and a representative of the newly formed Promotion Association of Incline Village.

Each representative will inform those present of the aims and goals of their organization. Also present will be the sheriff of the area to tell of ways and means of ridding the area of the abandoned cars.

The Community Club has a plan in operation and would welcome suggestions from the residents of the area. Everyone is urged to attend this meeting.

### BAKER SPEAKER AT NURSERY MEETING

At their bi-monthly meeting, November 23rd, the Truckee Parent Cooperative Nursery School was privileged to hear Roy Baker, Tahoe-Truckee High School librarian, present an informative talk on his recent summer journey to the Soviet Union. Baker showed the group many interesting slides taken during the trip.

The nursery school group particularly appreciated information and slides regarding the nursery school system in the Soviet Union. They learned that nursery schools in Russia have a registered full time nurse on hand at all times, the maximum age for nursery school is 7 years of age, and a great deal of time is devoted to music and dance.

**AT SKI SHOP**

Norm Doolittle has been employed as salesman and repairman at the Zorich Ski Shop at Soda Springs. The young man is held to be an expert repairman for ski equipment.

## Republican Women Hear Officials Talk

TAHOE CITY — Following a cocktail hour and buffet at Sunnyside Lodge Tuesday evening, members and guests of the North Lake Tahoe Republican Women's Club heard two interesting talks by guest speakers.

They were Mrs. Hazel Gardella, vice chairman of the Washoe County Republican Central Committee, and Mrs. Mary Frazini, Nevada legislator, both of Reno.

The nominating committee comprising Mrs. Connie Cole, Mrs. Betty Layton adn Mrs. Maggie Stollery was ratified by the club and will present a panel of officers for consideration at the January meeting.

Mrs. Fritzie Briner presided at Tuesday's meeting.

## Four Babies Born In Hospital This Week

One boy and three girls occupied the nursery at Tahoe Forest Hospital following their arrivals there during the past week to join their families for the coming holidays.

Mr. and Mrs. Floyd Thompson of Kings Beach chose the names of Sharon Delayne for their daughter, born Thanksgiving Day. Her first weight was 6 pounds, 6¼ ounces.

Kevin Ennis joined his parents, Mr. and Mrs. Kelley Cline of Truckee on November 26. Seven pounds and ten ounces was his weight at birth.

One ounce less than nine pounds was the initial weight of Denise Louise, born November 28. Her parents are Mr. and Mrs. Kenneth Ferrier of Tahoe Vista.

Mr. and Mrs. Robert Bradley of Tahoe City welcomed their daugter, Dannette LaVonne November 29. The little girl lacked one ounce of being six pounds on arrival.

### LOCAL MAN TO SPEAK AT LOGGING SESSION

"A Public Trust—Tree Farming and Good Logging" will be the theme of the 17th annual Sierra-Cascade Logging Conference to be held February 10 to 12 at the Hotel El Dorado in Sacramento.

Among the speakers on the program will be Hank Schwartz of the Fibreboard Paper Products Corp. of Truckee. This annual conference of loggers, lumbermen and foresters of California and southern Oregon will be dedicated to the 25th anniversary of the American Tree Farm System. Attendance is expected to exceed 1200.

## Sugar Pine Point Purchase Provide New State Park

Following action by the state public works board, approving the purchase of 1,975 acres of land for site of the new Sugar Pine Point State Park on the west shore of Lake Tahoe for $8.3 million, Governor Edmund G. Brown has promised early development of the site.

The board approved purchase of the land at a meeting last Friday. The area was purchased from Mrs. Esther Ehrman Lazard of San Francisco, daughter of Sidney Ehrman, San Francisco attorney at the maximum price authorized earlier this year by the state legislature.

Both Governor Brown and State Parks and Recreation Director Fred Jones promised quick action would be taken to provide at least temporary facilities for the public at the park in El Dorado County just north of Meeks Bay.

State officials praised Mrs. Lazard for selling the land under the appraised value. Funds for the purchase were promised in the state beaches and park act as approved by the voters in 164.

In commenting on the action, Brown praised legislators for pushing the project, citing the work of Senators Paul J. Lunardi of Roseville and John Bogovich of Placerville and Assemblyman Gene Chappie of Cool.

Ultimately, the park will provide 1,200 family camp sites, ten group camps serving up to 1,000 persons, 500 family picnic uits, parking for an additionaly 200 cars, a campfire center and a service center.

The land includes 1.5 miles of beach frontage and extends three miles into the hills along General Creek and a back trail leads into the Desolation Valley primitive area.

## Firpo Named Head Of Sportcasters

John Firpo, formerly of Truckee where he graduated from the Tahoe Truckee High School and later from the University of Nevada, was signally honored Monday when he was elected president of the Sierra Sports Writers and Broadcasters.

Firpo, who replaces Duane Borvec of Channel 8 television, is a news and sportscaster for Channel 4, KCRA-TV, where he has been employed for the past three years.

The election was held at the annual banquet in the Riverside Hotel.

### JURY TRIAL SOUGHT BY SACRAMENTOAN

Frank Thomas of Sacramento appeared in the Truckee Judicial District Court Monday and entered a plea of not guilty to a charge of disorderly conduct and demanded a jury trial. His bail of $220 was posted and the date of the trial set for December 15 at 10 a. m.

### MEDFORDS RETURN FROM TRIP TO UTAH

Mr. and Mrs. Dave Medford returned from Logan, Utah, where they visited their son Sam, during the recent holiday. The Medfords cooked and furnished a bountiful turkey dinner for Sam and four other college students living in the same place. Mr. and Mrs. Nick Stone were also visitors.

Later the group went to the ski area where many of the local comptitions are held.

### TAHOE RADIOMAN IS SERVING IN PACIFIC

USS SAMUEL B. ROBERTS (DD-823) (FHTNC) Nov. 16—Radioman Third Class William G. Burmer, USN, son of Mr. and Mrs. Chris F. Burmer of Tahoe City, Calif., is serving aboard the destroyer USS Samuel B. Roberts, which is deployed to the Western Pacific with the U. S. Seventh Fleet.

Destroyers are high speed ships used primarily in anti-submarine warfare. They also operate offensively against surface ships, defend against airborne attack and provide gunfire support for amphibious assaults.

The vessel normally operated with the Atlantic Fleet out of Newport, R. I.

## Robert Jenkins To Be Installed Head Of Donner R.A.M.

The ninety-fourth installation of officers of Donner Chapter No. 39, Royal Arch Masons will be held at the Masonic Hall in Truckee Saturday with Robert E. Jenkins taking office as high priest. The installing officers are William C. Leeson, general grand Royal Arch Captain and Grand Scribe J. Wilber Combes.

The installing chaplain is William Zeibig, high priest during the past year.

Other officers to be seated are Charles Walker, king; Roland Mathewson, scribe; J. D. Anderson, secretary; Edward Aweeka, treasurer; William Zeibig, chaplain; Raymond Kimbraugh, captain of the host; William Drulias, principal sojourner; Gary Eden, Royal Arch captain; Pat Shane, master of the third veil; Otis Culbertson, master of the second veil; Robert Snell, master of the first veil and John Rayburn, sentinel.

Mrs. Marge Walker will be heard in a solo. Refreshments will conclude the installation.

## Free Ski Equipment Is Offered By Zorich

Bud and Barbara Zorich of the Zorich Ski Shop at Soda Springs are making an unusual offer to the boys and girls of the region.

They have some 70 sets of ski free-release toe binders, as well as scores of other items, including used ski poles and other binding accessories which they will give away without any obligation to parents or youths who call at their store. The bindings, Zorich said, are valued at $5 and are all in excellent condition but are being replaced with more modern equipment.

On December 24, the Zoriches will present free of any charge a pair of Head skis to the holder of a lucky ticket, obtainable at the store without any obligation. This is in connection with the store's present sale of all types of ski and winter sports apparel and equipment.

Zorich said there are probably many young skiers in the area who are unable to purchase the bindings and who will welcome them as a gift.

## Wet November Is Recorded In Area

November, according to records kept by the U. S. Forest Service office in Truckee, was an unusually wet month.

Precipitation, which included 20 inches of snow, totaled 7.79 inches for November and brought the season's total to 9.49 inches.

The normal for November is 3.10 inches while the normal for the season, commencing on September 1 is only 5.29 inches at the first of December.

Following the storms, temperatures here dropped to new lows for this time of the year with a low of 3 below zero on Friday and a high of 32 on Monday.

The annual precipitation total in this area is 31 inches.

### GUARD RAIL PLANNED FOR ROAD AT SQUAW

The California Division of Highways is requesting sealed bids for 600 lineal feet of metal guard rail to be installed on Highway 89 in eastern Placer County just south of the Squaw Valley turn-off.

Proposals will be received until 10 a. m., December 9, at the district office in Marysville, according to officials there.

The metal rail, mounted with reflectors for nighttime visibility, will provide better roadside delineation.

### WYETHIA WOMEN TO HEAR OF USSR TOUR

Roy Baker, librarian of Tahoe Truckee High School will be the guest speaker at the one o'clock luncheon meeting to be held tomorrow by the Wyethia Woman's Club.

Baker will tell of his observations during a tour within the Soviet Union. Mrs. Ed Aweeka will preside and members of the club and their guests are invited to attend.

## Donner Seeks To Establish Postal Service For Area

Efforts to provide mail service to the Donner Lake area are paying off in two directions.

Petitions calling for the establishment of a rural station at Donner have resulted in a call for sealed bids which will be received in the office of Postmaster Louise McCallen up to December 5.

At the same time a petition has been received from William Murphy, president of the Donner Lake Property Owners' Association, asking that a rural route be established for the area west of Truckee extending toa Donner Lake.

Which of the two courses will be followed remains a question which can be answered only by the post office department. It is also quite possible that both the offfice and rural route will be established, this being a most logical answer.

Signatures on the two petitions are in excess of 250, some, of course, being duplications.

Murphy said he had discussed the matter with postal officials in San Francisco and they indicated there was no reason why both a rural office and rural delivery could not be established if they are warranted and desired.

Applications to conduct a rural station at Donner may be obtained from Mrs. McCallen at the Truckee post office.

The clerk in charge of the rural station will be expected to provide the following postal facilities:

Money Order, acceptance, delivery and dispatch of ordinary, registered, insured and C. O. D. mail, the sale of all equipment, including a safe approved by the post office department. The clerk-in-charge will also be required to provide lock box service for patrons.

The sale of non-postal money orders, checks or similar instruments for the transmission of money will not be permitted on the premises.

Hours of service required will be during the normal business hours of the establishment in which the contract unit is located.

## James Harris Buys Insurance Agency

James E. Harris, since September, 1963, manager of the Tahoe Truckee Agency, a local insurance firm, announced this week that effective December 1, he is the sole owner of the business.

The purchase was made from Seawell, Festerson and Luce, Inc., of Roseville, who took over the agency several years ago.

Recently Harris announced he had purchased the insurance business of Beverley Wilson and more recently the agency operated by Fosten W. Wilson.

There will be no change in the general policy of the new business which will be retained under the same title, Harris said, although a more concerted customer interest will be maintained. The firm writes all types of insurance under the Independent Insurance banner, Harris declared.

### JUDY GIOVANNONI ON JOURNEY TO JAMAICA

Miss Judy Giovannoni, daughter of Mr. and Mrs. Frank Giovannoni of Truckee, left Friday from San Francisco en route to Kingston, Jamaica, where she plans to have employment with the United States embassy.

Prior to her departure, the family enjoyed a reunion and farewell for Judy in Williams.

### GARBAGE CANS MUST BE MADE AVAILABLE

Harry Stout, operator of the Truckee-Donner Disposal Service, this week issued a warning that unless garbage cans in the area he serves are made readily accessible to the collectors, they cannot be emptied.

The cans, Stout said, should be placed near the curb and kept free of snow on days of collection so that the drivers can empty them without plowing through snowbanks and shoveling.

Some customers, Stout explained, leave cans in the rear of homes without a way to reach them, making it virtually impossible for the collectors to render service.

### DOLPHIN USED FOR MESSENGER SERVICE

Tuffy, a dolphin acted as a messenger with a letter sent between the Sealab experimental station in southern California and the pier, at some distance where the message was mailed and later received by William Ramsey, grandson of Mr. and Mrs. A. E. Burlingham, while he was stationed with the U. S. Navy in Viet Nam.

Ramsey had earlier taken part in the training program of the intelligent mammal and a number of prepared incidents, including the message from the men located 250 feet beneath the surface of the water proved Tuffy's response.

## Behind The Wheel

TRAFFIC SIGNS—Knowing the basic meaning of the various shapes of traffic signs makes driving easier and safer, advises the California State Automobile Association. The six most common shapes and their basic meanings are: (1) triangle—yield the right of way; (2) octagon—stop; (3) round—railroad crossing; (4) diamond—warning; (5) and (6) square and rectangle—both shapes can carry either traffic regulatory or directional messages.

## MORE ARRESTS MADE IN NARCOTICS DRIVE

SACRAMENTO — (CNS) — More adults and juveniles were arrested for drug violations during 1964 than during any previous year, Attorney General Thomas C. Lynch announced today.

A report from the state bureau of criminal statistics showed adult drug arrests jumped 14.2 per cent and juvenile arrests climbed 40.1 per cent last year. The total amounted to 18,343 adults and 2,000 juveniles.

The bureau admitted its statistics on juvenile arrests left much to be desired as many of the arrests were not recorded.

"These statistics on the California drug problem emphasize the need for redoubling our efforts to halt the flow of illicit drugs across our international border," Lynch said. "We must strike at the source of these drugs if we are to achieve real success in combatting this problem. This will require federal action."

## Telephones Show Increase In Truckee

Truckee is growing!

And, phoning more than ever!

According to figures released today by Pacific Telephone Manager J. C. Domergue, the number of phones in the Truckee exchange has increased 102 per cent over the past 10 years to a present 1,347 telephones and extension telephones.

In Nevada County, the number of phones served by Pacific Telephone has gone up 105 per cent to a total of 12,555 instruments over the same period.

In the Truckee exchange, residents are now making 5,573 calls daily, 48 per cent more than they placed per day five years ago.

Domergue said that daily calling volumes from Truckee telephones are expected to go up another 50 per cent over the next five years to roughly 8,400.

In Truckee, local subscribers are now placing 5 per cent more local and long distance calls than they did a year ago.

Domergue said such figures point up "the continuing challenge which telephone people are meeting daily to provide for the requirements of Truckee's growth."

For those visiting Reno, we suggest visiting the University of Nevada Church Fine Arts building corridor gallery, Monday through Friday, 9 to 5. Frances Revett Wallace and Hans Reiss of Brockway are exhibiting their tree carvings. It seems that several years ago the artists discovered the tree carvings and took tracing paper and pencil and reproduced them. They date from 1895 to 1932 and some are signed by the "artist".

The University Press has bought the designs from Frances and Hans and will publish them next year.

* * *

Jay and Chick Fisher are the new owners of Christensen's at Kings Beach. The resort has been renamed "The Jester".

The Carl Christensens and son, Carl, Jr., have moved to Reno.

* * *

Ed and Jacquie Black of Incline Beach enjoyed dinner in Reno with Ed's brother and wife, Fred and Betty Black and Jacquie's mother, Mrs. Pearl Prescott.

* * *

Moving back to Carson City from Paso Robles are Carl and Betty Moran. Enjoying Sunday dinner at the home of Johnny and Jerry Rayburn at their Incline Beach home were the Morans, Russ Farley and Gavona Black of Kings Beach.

* * *

Weather changed the plans of Craig and Shirley Robinson and children, so they celebrated Thanksgiving with mother and husband, Gwen and Art Wood. Also enjoying the day at the Wood home were Velda and Jack Farris and their daughter and family, George and Sandra Pergin and daughter, Gina of Riverside.

* * *

Jay and V Ann Mandeville and children, Reese, Robin and Scott of Incline Village entertained at Thanksgiving dinner, Jay's parents, Peg and Jim Mandeville of Kings Beach and their guests, Diane and Johnny Coffer, Janice and Doug Atkin of Reno, Bill Evans of Kings Beach, Claire McClure of Berkeley, George and Neal Nielson.

The choir of the Kings Beach Methodist Community Church welcomes singers and would appreciate an organist. The group meets at the church on Wednesday evenings at 7:30 p. m.

On December 13th, Monday Monday night, 8 p. m., the Bishop's Company of Los Angeles will present "St. Joan" at the church. Tickets are $2 and are available by phoning Jay Mandeville, 831-0367 or Rev. Marx at Brockway 546-3890.

Accommodations for lodging, dinner and breakfast is requested for the several actors who make up the Bishop's company. Anyone who has available room and would like to entertain a guest or two for the night, contact Rev. Marx or Jay.

* * *

Bob and Bernie Jansen and son, Greg, of Incline Village went to San Francisco where his parents, Mr. and Mrs. George Jansen, joined them for a trip to Disneyland.

* * *

Over $300 was realized at the WSCS bazaar at Kings Beach last week and over $100 from the rummage sale.

Lydia Circle will meet on Monday, December 6th, at the home of V. Ann Mandeville.

* * *

A baby shower was hosted by the Sunday School teachers of the Kings Beach Methodist Church in the Fireside Room for Charlotte Perry. Among those present were Kay Felte, Noreen Marx, Virginia Murphy, Louise Walter and V. Ann Mandeville.

* * *

A get well soon to Mark France of Kings Beach who is confined to home with pneumonia. And a welcome home to Alice Sorensen of Tahoe Vista who is recuperating at home following illness at St. Mary's Hospital in Reno. John and Loma Moore of Santa Barbara and children are staying with the Sorensens until Alice has recovered.

* * *

Heide Weidlein of Sacramento is a house guest and helper at the home of Frank and Ina Wright at Incline Village.

* * *

Benita Jones of Brockway is recuperating from surgery at St. Mary's Hospital in Reno. Get well soon, Benita.

* * *

Thanksgiving dinner guests of Don and Nelle Barkhurst were Roy and Nellie Porath and son, Danny, of Kings Beach, and Pearl Sigg of Reno. Jean Sigg was confined to the hospital but is recuperating nicely.

* * *

Frank and Ina Wright of Incline Village are the proud parents of a baby daughter born November 20th at St. Mary's Hospital in Reno. Sandra Jacqueline is the name chosen for the little lass who weighed 6 pounds, 4 ounces at birth. The newcomer has a sister, Christine, who celebrated her second birthday on November 30th.

Made happy by the arrival of Sandra are grandparents, Don and Nelle Barkhurst of Cal Neva Highlands.

* * *

* * *

Ed and Trudy Malley of Incline Beach are home after a trip to San Francisco where Ed underwent successful eye surgery.

* * *

The Robert Breuners of Sacramento spent Thanksgiving at their Brockway home.

* * *

James Michael Yopp arrived at St. Mary's Hospital, Reno, on Tuesday, November 23rd, to Ralph and Janet Yopp of Kings Beach. The eight pound 6 ounce baby was named for his godfather, Jimmy Hume of Incline Beach. Sister, Loni, and brother L. J. C. welcomed their new brother home. Happy grandparents are J. C. and Inez Jordan of Incline Village.

J. C. is in London but talked to his family by phone. Inez plans to join him in London before Christmas.

* * *

Jetta Steward of Kings Beach spent Thanksgiving in Reno with long time friend, Ora.

Jetta recently participated in the convention of the Nevada State Hairdressers which was held at the

# SIERRA SKIING

By VI WHITE

Another beautiful weekend greeted skiers—clear, cold weather and packed powder snow.

This remark was heard on the Hill last Sunday "If this keeps up, having the storms during the week, leaving the weekend clear, it will be a great season!" A skier's prayer!

The Far West Ski Association competition schedule started with the annual Pheasant Slalom at Heavenly Valley and the annual Turkey Race at Squaw Valley.

Patti Kelly of Sugar Bowl took home both a pheasant and a turkey for winning the Class A ladies events Saturday and Sunday.

Greg Dorland of Colorado U. won a pheasant Saturday, but had to return to classes and didn't compete Sunday. Brad Glenn of Slide Mountain skied down the giant slalom on Red Dog only two tenths of a second faster than Lane Monroe of Reno to win the Squaw Valley Turkey race in the men's Class A meet.

Millie Ayers of Sugar Bowl had very fast time and won the Class B event over Joan Treher, Zuerileu and Judy Leyton of Lake Tahoe.

Sugar Bowl's Paul Marlowe won the men's Class C race.

Several local juniors were given technical training on downhill racing from U. S. Alpine Coach Chuck Ferries and Olympic veteran from Stockton, Ni Orsi, Jr., at Squaw Valley after being snowed out at Mammoth Mountain the scheduled site.

Those participating were: national junior slalom champions Vicki Jones, Lake Tahoe and Gred Schwartz of Sugar Bowl; Lance and Eric Poulsen, Dick Nielsen, Cheryl Bechdolt and Jane Spiller, Lake Tahoe; Mike Beggs, Cactus Bryan, Brian Degen, Mike Gallagher, Tim Kennedy, Steve Van Fleet and Randy Stewart, Heavenly Valley; Phil Holecek, Mt. Shasta; Dennis Hamon, Sugar Bowl; Karen West, Concord; Kirsten Morris, San Rafael; Dave Soli, Reno; John Brown, Incline Village and Shelley Herrero, Berkeley.

Over at Mt. Rose the junior cross-country boys were having time trials in the deep snow with 12 year olds going one mile, 12 to 18 year olds going two miles and college students traveling three miles on those long narrow skis.

Participating in this training camp locally were: Eric Henrikson, Tahoe City who won the two mile run, Tom Ruhkala, Tahoe City, Bill Hobbs, Truckee, Carl Ruhkala, Tahoe City, Steve Cross, Tahoe City and Scott Austin, Donner Summit.

Other skiers were from Reno, Loyalton and Sierraville.

Coach Harry Ericson was very happy with the response to this type of skiing competition.

Meanwhile the recreational skiers were having a great time in the fresh powder snow, many having been up for the whole four days of the Thanksgiving weekend. All resorts operating reported a fantastic opening to the new season.

Boreal Ridge on Interstate 80 will be open to the public December 15, according to manager Jay Price who reports that the cable has been spliced and that it wil be ready for testing December 9.

Tahoe-Truckee High School students will be using the slopes for their team tryouts this week and getting in shape by hiking up!

It's been a long time since we had to do that, but years ago that's the only way any of us got to the top was to side step with skis on or take them off and hike up.

Meanwhile back at the ranch, River Ranch that is, Gardner Mein had loads of after ski activities planned for the week, even a golf driving distance contest in the snow with those plastic balls with holes.

That lively Plague Ltd. band that played on into the night was the greatest.

Those in the know, though, were getting a little apprehensive over the fact that the Truckee river was rising fast and pounding against the banks with tremendous force. Already a bridge had been washed out and so had the little dam that formed the lake that was so much fun in the summer at the River Ranch.

Sunday Nite Movies will be shown in the bar.

Members of the northern California and Nevada Sports Writers' Association will convene at Squaw Valley this weekend. President Walt Roessing of the San Jose Mercury News will conduct the meeting Saturday night at the Lodge.

The Lake Tahoe Ski Club will hold a general meeting December 10 at the Tahoe Lake Elementary School at 8 p. m.

Their new club pin is a beauty.

According to the Far West Skier, the next FWSA competition locally is scheduled for December 19 at Slide Mt. The Lyder-Barnes Trophy race for juniors I-III, ABC, IV, V. A slalom sponsored by the Reno Ski Club.

## BEQUETTE WILL BE PLACER CANDIDATE

While he has made no formal announcement, Albert Bequette, Placer County superintendent of schools, has indicated he will be a candidate for reelection in the June 7 primary.

The informal announcement was made in reply to inquiries from all parts of the county. It was understood that if he is successful, he will retire at the end of the next term.

# DONNER DOINGS....

By Marcella Corro

Everyone enjoyed a beautiful weekend after our first experience of putting on chains, fighting frozen door locks and getting antifreeze into the cars. The resorts were filled to near capacity with snow bunnies and tourists who enjoyed the winter wonderland. The pine trees are frosty white in the mornings as though sprayed with silver. The curling smoke rises from the chimneys only to disappear in the crisp air.

* * *

The Harry Weiler family has returned from a hunting trip to Kimmerer, Wyoming. The boys and dad bagged four bucks. It rained and snowed to make things a bit difficult. They met Chuck Baker and his wife drenched in the mud and slush.

* * *

It's nice to see the lights on again at Donner Pines Motel. Mrs. Lena Bollock is busy moving in and back to operate the motel. We're all happy to have her back with us.

* * *

Sky and Kate Miles and daughter, Cathy, spent a pleasant holiday weekend in Los Angeles. They enjoyed Thanksgiving Day with relatives and attended a wedding while there.

* * *

Sandy Eckerman was given a surprise birthday party by her friends Saturday evening. Friends attending were Brian Smart, Gloria Purdy, Larry Doyle, Michael DeLisle, Curt Wurst, Patty Free, Joe Corro, Sandy Davis, Jeff Jellin, Betty Shively, Bruce Leamon, Mary Ann Atkinson and Mike Davis. After dancing and a pleasant evening, a delicious buffet was served.

* * *

Our Donner Lake highway is very icy and hazardous. Now that the county has accepted it from the state, we wonder is these conditions will exist throughout the season. It makes it very difficult to get to the freeway without chains.

* * *

We were very happy to see so many home owners on Donner Lake up for the holiday weekend. Nearly 40 cars were parked by the westend beach road as they treked to their cabins. Rather than hike in, the Hilagosses, Ed Corums and Dick Broodings took a boat to cross the lake.

* * *

I wonder how the old summit road is for tobogganing and skiing? Perhaps the children should check into this as their place to play. Several children were seen using the west off-ramp for this purpose and with icy conditions, this may cause a traffic hazard and serious injuries.

See you next week.

## AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — The price the American public pays its government for the privilege of smoking is almost unbelievable. In the light of prospects for a five-cents increase on the price per package tax in California, bringing the total to eight cents a pack, a few facts may be worth mentioning.

The facts come from the Tabacco Tax Council, located in Richmond, Virginia. This organization gathers firm statistics, and has published its 1965 booklet on cigaret taxes in the United States.

In cigaret form, tobacco, an agricultural product, is the most extensively taxed in the nation, the foreword says.

"The phenomenal growth of cigaret usage has been accompanied by an even more phenomenal growth in the relative tax burden imposed by federal, state and local excise taxes levied on all tobacco products.

"Specifically during the last fiscal year, all taxes amounted to $3.6 billion, of which $3.5 billion came from cigarets."

Back in 1863, the federal tax yield on tobacco was $3.1 million. Now it's more than $2.1 billion, with some 96 per cent coming from the eight cent federal tax on cigarets.

States started imposing cigaret taxes in 1921, for an annual levy of $350,000. Now the state take is nearly $1.4 billion, with the tax ranging from two to eleven cents a pack.

Local governments got into the tobacco tax taxing act in the late 1920's. Now 261 cities, towns and counties collect nearly $65 million.

The taxes at three levels of government operate to double the price of the product and in a majority of the states, the council says, more than one-half the price of a package of cigarets consists of special excises.

"The tobacco growers," the bulletin states, "receive an average of less than three cents for the tobacco contained in a package of cigarets. The federal, state and local governments together impose cigaret taxes the weighted average of which is 13.6 cents per package, or nearly five times as much as the growers receive.

"No other produce in America, so widely used by the nation's citizens, bears a burden so oppressive."

Only one other product is a runner-up, and that is distilled spirits. At the International Airport, Los Angeles, individuals with foreign transportation tickets can purchase a bottle of Scotch for $3.50. The same bottle in the domestic mart sells for $7, which is an indication government, both state and federal, makes 100 per cent on at least some liquor taxes.

Both cigarets and liquor are subject to double taxation in California, as in many other states. This stems from the fact that after the purchase at a price which includes the tax, the retailer is required to collect a four per cent sales tax in most areas of the state, three cents for the state and one cent for local government. This adds another eight cents a carton cost for cigarets, adding another $22.5 million to the state's revenue for twice paid taxes.

# Commodores Held Over To Dec. 17

CRYSTAL BAY—A smash hit the past three weeks in the Topaz Room of North Lake Tahoe's Nevada Lodge, the four fabulous "Commodores" have been held over through December 17.

The famous Commodores are well-known to night club audiences across the nation, broken records throughout the Reno-Tahoe entertainment circuit. Their magnetic personalities and professional performances won them a coveted place on the "Arthur Godfrey Talent Scouts" for a record twenty-two consecutive weeks!

Formerly known as the "Imperial Quartette", the "Commodores" have been together for five years. They were nationally acclaimed as one of the finest spiritual singing groups in the world. Four years ago the group developed a new sound, changed their name to the "Commodores", and divided their act into seven different types of music, from Pop and Progressive. Today they are one of the most versatile singing groups in the country.

In addition to being one of the finest and most exciting vocal quartets in show business today, each member is an outstanding instrumental musician. Charlie Speed sings top tenor and plays fender bass, Rusty Wade, second tenor and piano, Kenny Smith, lead and doubles on guitar and banjo, and Ronnie Baron on drums. They are top recording artists on Coral, Dot and Challenge labels.

On the weekends of December 4 and 11, the "Commodores" share the Saturday and Sunday spotlight of Nevada Lodge's Topaz Room with the "Mary Hickman Trio", a group specializing in request tunes and the nostalgia of yesteryear's hits.

It's exciting entertainment at North Lake Tahoe's fun center, Nevada Lodge.

### CALL EXAMINATIONS

AUBURN—December 6 has been set by the Placer County Personnel Department as the final date for filing applications for examination for improvement bond officer and messenger clerk. Oral examinations will be held at a date to be announced.

## Eight Officers Will Be Elected In This County In Primary

Aside from the increasing interest in the governorship race and other state contests, eight Nevada County officers will be at stake in the June primary elections.

Local positions to be filled on June 7 are assessor, now held by Charles Kitts; auditor-controller, presently John T. Trauner; clerk-recorder, Theodore Kohler; district attorney, Harold Berliner; administrator, Albert Ahearn; sheriff, Wayne Brown, superintendent of schools, Edward G. Fellersen and treasurer and tax collector, Leland J. Twitchell.

Supervisors of districts three and four, now held by Lou Hartman and Donald C. Blake, will also be decided.

Those who voted in the last general or primary election need not reregister, but others are reminded that if they wish to vote in the June primary and have changed their name or moved they must register before 54 days before the election on April 14.

None of the potential candidates for local offices has made any definite announcement of his intention.

## PARK BOND SHORT OF STATE NEEDS

SACRAMENTO — (CNS — Fred L. Jones, state director of parks and recreation, indicated the "one time only" $150 million beach and park bond issue of 1964 will not begin to meet the state park system needs over the next 20 years.

Jones presented an accelerated development program for the state park system to the state park commission at a meeting in Los Angeles. He also gave a progress report on how the money from the bond issue was being spent.

Jones said park system usage had increased from less than 10 million visitors days in 1948 to more than 32 million visitor days in 1964 and is expected to jump to 113 million by 1980. Present facilities are overused, with 1.5 million campers turned away from parks last year because no campsites were available.

Jones said the state park system development should be phased over a 20-year period, at a cost of $500 million. This would provide for an additional 23,000 camp units, 30,000 picnic units, 55,000 parking spaces, 211 boat launching ramps, and other facilities.

"At the present rate of development—approximately $6-$7 million a year—we are not going to get much of the needed development done in the next 15 to 20 years," Jones said. "The financial magnitude of this accelerated development program requires the most searching review into ways and means a meeting of the states recreation needs in an orderly, efficient and economical manner."

Jones said four areas might be utilized: )1 more economy in design and development standards; 2) a review of the fee structure; 3) greater use of private capital for recreation development; and 4) use of federal grants for development.

## WARNING IS ISSUED ON CARBON MONOXIDE

A person who experiences a feeling of nausea, tired eyes or headache while driving may be suffering from one of the most common maladies of modern times—carbon monoxide poisoning, warns the California State Automobile Association.

This gas is produced by an automobile engine the moment it is started. It is odorless, colorless and tasteles . . . and it is deadly. One part of carbon monoxide in 1,700 parts of air can cause nausea. One part in 700 parts of air can be fatal.

During the winter months when motorists are more inclined to drive with windows closed or only partially open, the danger from carbon monoxide poisoning is greater, the CSAA says. Even small amounts inside the passenger area of an automobile have caused drivers to collapse while they are driving along a busy highway.

The CSAA says the motorist can help himself from carbon monoxide poisoning by taking the following precautions:

1. Stop at the first sign of nausea, headache or tired eyes. Get out of the car and breathe fresh air.
2. Have the car's exhaust system inspected regularly. This means a complete check of the exhaust pipe, muffler and tail pipe.
3. In traffic maintain as wide a space between your car and the one ahead as is feasible. Fumes from the car ahead are funneled into your car through windows, heater and air vents.
4. Don't sit in a parked car while the engine is running even if the windows are open.

# Felony Crime Rate In State Increasing

SACRAMENTO — (CNS) — The felony crime rate in California jumped 12.7 per cent during the first half of 1965, while felony arrests rose only 2.4 per cent, Attorney General Thomas C. Lynch has announced.

The rates are based on the number of reports of felonies or arrests reported per 100,000 population. Lynch said the felony complaint rate rose about 9 per cent during the six-month period.

"These statistics reveal that California law enforcement agencies and district attorneys are operating at a higher level of efficiency than ever before," Lynch said. "Felony crime reports show a crime rise, but they also reflect increased public concern. Complaint and conviction rates reveal law enforcement success."

Lynch said more than 85 per cent of felony trials resulted in convictions. Escape, manslaughter, failure to render aid, felony drunk driving, forgery and dealy weapons violations each resulted in over 90 per cent convictions. Of those convicted, about 50 per cent were granted probation.

About 1816, Henry Hall, a resident of Cape Cod, transplanted wild cranberry vines to a swamp near his home and so started the cranberry industry in the United States.

# Boat Owners Given Warning On License

SACRAMENTO — Lachlan M. Richards, chief of the division of small craft harbors, today advised California boat owners that the current blue-and-white registration sticker on their boats must be replaced by a red-andwhite sticker for the 3-year registration period beginning January 1.

All present California boat registrations will expire December 31 and all boats to be used within the state thereafter must have their registration renewed for the 3-year period of January 1, 1966, through December 31, 1968.

Renewal of registration will not change the boat's registration (CF) number.

## SIERRA ROAD MAN WILL RETIRE TODAY

A man who has spent his entire California state career on maintenance and repair of highways in Sierra, Nevada and Placer counties is Raymond Louis Lani of Sattley who retires December 2 on the 18th anniversary of his entry into state service.

Born in Tonopah, Nevada, in 1909, Lani attended grade and high school in Carson City and worked first with logging companies as timber-feller and scaler. He was a member of Harms Bros. Construction crew when that firm held a contract in 1939-40 for construction of Route 89 from the Sierra County line to Calpine. Joining the army in World War II, he served in the China - Burma - India theater and was discharged a first sergeant.

He joined the California Division of Highways in 1947 as a laborer and 10 years later was promoted to Highway maintenance Man II. He worked out of the Sierrarville maintenance station headed by Foreman T. H. Blum.

## Saint Joan Will Be Played At Church

KINGS BEACH — George Bernard Shaw's Saint Joan, a magnificent drama, will be given by The Bishop's Company, in person at the Community Methodist Church in Kings Beach on Monday, December 13th.

The company, first repertory group of its kind in the world, presents this play by Shaw, considered by many to be the finest of the several plays about Joan of Arc. It begins with Joan's life as a simple farm girl who heard God's commands through her voices, giving her complete faith and purpose.

Staged by The Bishop's Company, Saint Joan finds heightened meaning in its new and vital form; a masterpiece of theatrical excitement that seems more significant today than when it first appeared. The Bishop's Company presentation reveals the essence of the nineteen-year-old girl herself, depicting scenes with Joan and the men who had a key part in her road to total fulfillment.

The Bishop's Company, internationally known touring group, has presented over 6,000 productions in a thirteen year touring record of 22 nationally tours covering over a million miles. Their presentation of Saint Joan will demonstrate the versatility of the company, which was founded in 1952 by Phyllis Beardsley Bokar.

Saint Joan provides thought-provoking insight into modern times and will be an evening not to be missed. There are a limited number of ticketrs available, so be sure to get your ticket early, call the Methodist Church, 546-3890, for reservations.

## SIX VETERAN SKIERS WILL FEATURE TEAM

Sierra College's ski team lost one meet last year to rank as perhaps the best ski team in the west, at least in California, Nevada, Arizona and Oregon.

This year's team could be even better.

Returning for Coach Paul Chesney are six veterans, George Batchelder, Knut Olberg, Bob Stauts, Brian Nissen, Dean Gould and Wallie Rothgeb.

Sophomores who may help include Henry Hamilton, who broke a leg and could not compete last year, Pat Fleming and Ken Forsythe.

Promising freshmen include Norwegian Einar Bekken, Kent Bocks, Frank Cater, Charles Gard, Tim Kennedy, Joe Narkevitz, Steve Thompson and footballer Greg Moore (Truckee).

Practice begins after Thanksgiving for the Sierra team, which also boasts a girl's ski team division. Competition will start in February.

### OUT OF HOSPITAL

Jack deRyk, owner-manager of Truckee Rents and the Truckee Ambulance Service, has returned home from the Tahoe Forest Hospital where he spent Thenksgiving, among another few days recovering from a siege of pneumonia.

## DOLLEY ANNOUNCES DRIVE FOR FUNDS

"I am confident that the people of this community believe in the deeper meanings of Christmas," stated N. F. Dolley, chairman of The Salvation Army Service committeee here in Truckee in announcing the November 26th start of this year's Salvation Army Local Christmas and Welfare Fund effort.

Dolley stated: "By contributing you give the needy of our community the difference between a dreary holiday and one sparkling with hope. Your generosity helps give toys to children, blankets to invalids, food, clothing and other aid to men, women and entire families."

"Through the wholehearted services of The Salvation Army, you also give a spiritual life." The theme of the 1965 Christmas effort is: "Put Christmas Stars in Their Eyes."

## COUNTY GETS SHARE OF FEES ON LIQUOR

The unincorporated area of Nevada County has received $5,017 as its six-month share of the special fees paid by holders of alcoholic beverage licenses.

The payment was made by the state's department of alcoholic beverage control which allocates 90 per cent of all license fee money back to individual cities and counties where it is used to offset the costs of police and fire protection, schools, highways, hospitals and other government services. The remaining 10 per cent goes into the state's general fund where it is used for similar purposes.

The most recent payment was for the six-month period ending August 31, 1965. Nevada County as a whole, including the unincorporated area, received $9,625 for the period.

A package store beer and wine license costs the owner $37, with a yearly renewal fee of $12. A general on-sale tavern license costs $6,580 originally, with an annual renewal fee of $580, while a beer and wine only tavern license costs $234, renewable yearly for $84.

## SUMMER EMPLOYES MUST TAKE EXAMS

Congressman Harold T. (Bizz) Johnson of the Second, mountain-valley counties, District announced today that summer employees of the federal government will have to take a nationwide competitive examination.

The examination will be administered in February next year with the deadline for applications January 3, 1966.

Announcements for the summer job program specify examinations will be required for office and science assistant positions throughout the nation," Congressman Johnson said. "The notice, announcement 380, lists some exceptions for the examination, however, I would suggest that all people seeking summer employment take the examinations."

In this way, Representative Johnson pointed out, there would be no slip up in filing applications.

The examination is designed primarily for those seeking summer employment in such occupations as clerk, stenographer, typist office machine operator, student assistant, engineering aid, physical science aid, biological aid and mathematics aid.

## WELFARE MEET WILL BE HELD IN CAPITOL

The state assembly interim committee on social welfare will hold a public hearing on December 7 at 10 a. m. in room 2133 of the state capitol in Sacramento.

The committee will be asking for testimony from all state departments presently engaged in cooperative service agreements and special contract agreements with state department of rehabilitation and those departments and local subdivisions who view the department as a potential source of needed services.

Assemblyman Gene Chappie of this assembly district is a member of the committee.

## SKI ACCIDENT BASES FOR DAMAGE SUIT

AUBURN—Martha Wheeler of San Mateo has filed a $30,000 suit in the Placer County Superior Court against Alpine Meadows of Tahoe, Inc., the Riblet Tramway Company and several Does, charging that she was injured when struck by a lift chair at Alpine Meadows March 7.

The plaintiff said she suffered a broken collar bone, a fractured shoulder blade, punctured lung, five broken ribs and other injuries in the accident.

### Walkers Visit—

The James Walkers entertained the Terry Walker family from Roseville at Thanksgiving. The local couple later visited Mr. and Mrs. M. F. Mills of Carson City.

## Traffic Fatalities In State Show Decline

SACRAMENTO — (CNS) — October became the fifth consecutive month in which traffic fatalities in California dropped below the level of a year ago, the California highway patrol reported.

The October total was 407 fatalities, a drop of 14 from October, 1964.

This brought the total for the first 10 months of 1965 to 3732, as compared to 3836 for January-October last year.

The decrease in traffic deaths during October occurred in areas for which the CHP does not have jurisdiction. In areas under CHP jurisdiction, fatal accidents were up 10.7 per cent to 228, with a total of 266 persons killed, as compared to 250 a year ago.

## LUNARDI TO ATTEND PALM SPRING MEET

Senator Paul Lunardi, D, Roseville, member of the senate fact finding committee on natural resources, advised that he will participate in a public hearing of the committee on geothermal energy and associated mineral resources, which has been scheduled for December 8th in Palm Springs.

"There is a widespread interest in the potential of geothermal energy development in California," said Lunardi. "Pacific Gas & Electric currently purchases power generated at the geothermal area in Sonoma County for distribution to its customers, and major companies are currently isolating valuable minerals from the super-heated brine associated with geothermal energy operations around the Salton Sea."

## LOCAL PARKS BEING CONSIDERED IN MEET

California's State Park Commission will meet at the division of highways building in San Francisco December 8, 9 and 10 to make determinations regarding which among the 90 remaining proposed park projects the state should undertake with the last $44.4 million of its acquisition funds from the $150 million state park and recreation bond act of 1964.

Among the 90 projects to be considered in the sessions are the Malakoff Diggins State Historical Park at Nevada City and Burton Creek at the Tahoe Wye.

---

Mr. and Mrs. Walter J. Ecker man entertained in honor of the birth date of their daughter, Sandra, last Saturday evening.

Dancing and refreshments were enjoyed and the young honoree was extended many happy returns of the special date by her friends.

## MACHINIST'S MATE NOW IN ANTARCTICA

MCMURDO SOUND, ANTARCTICA (FHTNC) Nov. 15.—Aviation Machinist's Mate Second Class Claude L. English, USN, son of Mrs. C. L. English of Tahoe City, Calif., is serving in Antarctica with Air Development Squadron Six.

His squadron, the Navy's "Antartic Airline", is working to support Operation "Deep Freeze", which supports the United States Antarctic Research program.

Air Development Squadron Six provides aerial support, supplies various stations on the Antarctic continent, conducts aerial photo-mapping missions, performs search and rescue duties and provides aerial reconnaissance and trail support for scientific field parties.

He will return to the squadron's home station at Quonset Point, R. I., some time next March.

## Accidents

(Continued from Page 1)

etro skidded and plunged off Interstate 80 half a mile west of Floriston at 1:15 p. m. last Thursday. Taken to the hospital by Truckee ambulance were DiPietro, 44, his wife, Mary, 41, both of whom suffered major injuries and their four daughters, Linda, 16; Kathleen, 14; Margaret, 11, and Mary Ann, 6, who suffered minor injuries.

The car overturned at least twice. The driver was cited for operating with bald rear tires on his car which were blamed for the accident.

### Truck Off Grade

Earl Jay Griffin, 63, West Sacramento, suffered serious injuries at 12:20 a. m. last Wednesday when the huge Safeway produce truck he was driving went over the embankment on Interstate 80 two miles west of Floriston and plunged 200 feet down the grade.

Griffin, driving west, was taken to the hospital by Truckee ambulance and was cited for driving too fast for conditions.

### Car Hits Tree

Three men were injured Sunday at 2:15 a. m. when a car driven by Warren Baker Cole, Jr., 23, Stockton, crashed into the huge pine tree in the center of the main street in Tahoe City. Two passengers, Peter Lamb, 21, Tahoe City, and Chris Cervantes, 24, Stockton, as well as the driver were taken to Tahoe Forest Hospital.

The driver was cited for driving with restricted view, the windshield of the car being coated with frost. Cervantes suffered major injuries, the other two were treated for lesser hurts.

### With Miles Family—

The Sky Miles family of Donner Lake had Pat Payton, now attending college at Redlands, as their Thanksgiving guest.

### BASKETBALL SIGN-UPS

Interested hoopsters—get on the ball! The player registration deadline is rapidly nearing. If you wish to participate in this year's basketball program you must register by December 10th. You may register by calling Randy Bobby, recreation superintendent, at 587-3090 or 587-4245 evenings.
